

## WHO WE ARE

WPPJ Radio, switch it up without switching the dial. We are a student-run college radio station based in Pittsburgh Pennsylvania's Point Park University.

### OUR MISSION:

WPPJ Radio serves to provide a co-curricular activity for students at PPU with an interest in radio, news, sports, contemporary and popular music, media sales, promotions and advertising.

WPPJ also serves as a training facility for students of any major who desire a career in professional broadcasting. Thirdly, it provides a medium of intra-University communications.

## WHO WE HELP

All proceeds from Rock-A-Thon go to [The Early Learning Institute](#), a local non-profit serving Pittsburgh & Western Pennsylvania.

[The Early Learning Institute \(teli\)](#) strives to help children realize their potential, through a continuum of therapeutic early intervention and early childhood education services.

Today, [teli](#) serves over 1,200 children annually through a comprehensive continuum offering including Infant and Toddler Early Intervention therapies and evaluation services as well as Early Childhood Programs in the Community.

## OUR GOALS

Rock-A-Thon is a great opportunity for WPPJ Radio and Point Park University to give back to the community.

**This year, our goal is to:**

- Raise awareness about [teli](#)
- Increase involvement on campus through Rock-A-Thon
- Donate to [teli](#)

### HOW CAN YOU HELP?

- Get involved!
- Visit us!
- Donate!
